

## AUGUST, 2021

FROM THE

PASTOR

HATCHING A PLAN. This is the second year raising chickens on the ranch and next year should be “funner”. Yes, the word “funner” is a word. Why will it be “funner”? Hopefully, if everything works out, we will be hatching little chicks in the incubator in the spring. Can you imagine all the little chicks running around chirping? However, to do this, we are going to have to hatch a plan to get us to the place we want to be.

In your Christian walk, it is also important to hatch a plan to get you to the place God wants you to be. The Bible says, Proverbs 16:9, *“The human mind plans the way, but the Lord directs the steps.”* You make the plan and God will direct your steps all the way. No matter how big or small your plan may be, God will be at your side to see your way through. But you have to have a plan.

Intentional Christians Make Plans. It is true, Jesus made plans and so did his disciples. They did not aimlessly wander about with no plan. Even Jesus understood that planning and completing the plan was essential. This is what he said in the Bible, John 4:34, *“My food is to do the will of him who sent me and to complete his work.”* What is your plan and are you working to complete this plan? If you haven’t already “hatch and plan” are you ready to plan and watch God direct your steps? Don’t aimlessly wander about, rather, put God in your life and watch the miracle of God’s love take you places you have never been.

Let’s pray: It is me again God. I need a plan and I need you to guide my steps. For too long I have wandered here and there feeling like I’m getting nowhere. But I know with you, all things are possible.

Amen.
